

The Kett Family of Portable Power Nibblers

KETT壓穿式電動(輕咬)剪刀

適合每種用途

NIBBLERS FOR EVERY APPLICATION

Cold Metal Cutting From
18 Gauge to 3/8"

KETT

We make the cut!

Light Gauge Portable Power Nibblers

輕厚度可攜帶式動力壓穿式剪刀

氣動PN-1000型

MODEL PN-1000, PNEUMATIC

At home on intricate curves on flat or corrugated metal, one hand is all it takes to make perfect cuts every time. Variable speed pneumatic control – up to 2,500 RPM's – and a well-balanced grip make it easy for anyone to operate.

氣動AMN型

MODEL AMN, PNEUMATIC

Make quick work of your light metal cutting needs. Weighing just 7 pounds, the nimble AMN offers precise pneumatic cutting at up to 60" per minute. Cuts up to 14 gauge mild steel.

Specifications

| Model | Cutting Capacity | Length | Weight | Power/Source | Max.Speed | Min.Radius |
|---------|------------------------------------|--------|------------|--------------------|-----------|------------|
| PN-1000 | 18 ga. mild steel/20 ga. stainless | 7 3/4" | 2 1/2 lbs. | 2,500 RPM's/90 psi | 40"/min. | 5/8" |
| AMN | 14 ga. mild steel/16 ga. stainless | 10" | 7 lbs. | 1 HP motor | 60"/min. | 1" |

Mid-Range Portable Power Nibblers

中範圍攜帶動力壓穿式剪刀

MODEL HN, ELECTRIC 電動HN型

Combine rugged performance with portability and maneuverability. Solid construction and sturdy design are built to last. Cuts up to 55" per minute.

MODEL EHN, ELECTRIC 電動EHN型 MODEL AEHN, PNEUMATIC 氣動AEHN型

Get beefed-up performance and portability. Compact 21 pound frame and 2 HP motor go wherever you need to be. Available in electric and pneumatic models. (Model EHN photographed)

Specifications

| Model | Cutting Capacity | Length | Weight | Power/Source | Max. Speed | Min. Radius |
|-------|------------------------------------|---------|---------|----------------|-------------|-------------|
| HN | 10 ga. mild steel/12 ga. stainless | 12 5/8" | 14 lbs. | 1 1/4 HP motor | 55"/min. | 6" |
| AEHN | 3/16" mild steel/10 ga. stainless | 12 3/4" | 21 lbs. | 100 PSI air | 40-45"/min. | 8" |
| EHN | 3/16" mild steel/10 ga. stainless | 13" | 21 lbs. | 2 HP motor | 40-45"/min. | 8" |

Heavy Duty Portable Power Nibblers

重型攜帶式壓穿式剪刀

MODEL MHN, ELECTRIC 電動MHN型

This versatile performer combines speed and power – cuts 1/4" mild steel up to 60" per minute. Ideal for manufacturing operations. Compact design makes it easily portable for field applications and finishing work on the fly.

MODEL SHN, ELECTRIC 電動SHN型

Big enough to cut the heavy stuff – up to 3/8" mild steel – without adding heat to the work surface. This 3 HP powerhouse cuts through metal all day long, yet at 40 pounds, can go where other metal cutters can't.
